ВРЕМЕННО СТРОИТЕЛНО СЕЛИЩЕ / TEMPORARY CONSTRUCTION CAMP

точното местоположение ще бъде уточнено преди стартиране на СМГ exact location have to be specified before start of construction works

- ## ОЗНАЧЕНИЯ

1. Времетрае отпада Не > 60м
2. Информациона табела по чл.13 от Наредба №2
3. Инвентарен формул за временна канализация
4. Инвентарен формул за събиращия, покрив сипал
5. Временно строително отпадно
6. Гараж за строителна механизация
7. Контейнер за отпадъци
8. Открит сипал за отпадъци
9. Открит сипал за отпадъци. Древен материал
10. Противопожарно табло
11. Киминесна топанна – 20р.
12. Киминесна чепина

- LEGEND:

1. Temporary fence, H=1,80m
2. Information board according art.13 from Regulation
3. Office cabin /Container/
4. Changing room, covered storage cabins
5. Container type /
6. Temporary electric supply board
7. Парк за строителна механизация
8. Waste storage containers
9. Open storage area - reinforcement
10. Open storage area - wood and shunting materials
11. Fire fighting board
12. WC /Chemical type/ - 2 nos.
13. Temporary sink

The diagram illustrates the layout of a temporary construction camp. It features a central rectangular area with various functional zones. At the top, there is a large rectangular area labeled '1' (Temporary office). Below this, on the left, is a smaller rectangular area labeled '2' (Information board). To the right of the information board is a row of three small rectangular areas labeled '3', '4', and '5' (Office cabins). Below these are three more small rectangular areas labeled '6', '7', and '8' (Sleeping rooms). At the bottom left, there is a large rectangular area labeled '9' (Open storage area). To the right of this is a large rectangular area labeled '10' (Open storage area - wood and slitting material). Below the storage areas are two small rectangular areas labeled '11' and '12' (Fire fighting equipment). At the bottom right, there is a small rectangular area labeled '13' (WC). The entire camp is enclosed by a perimeter fence labeled '14' (Perimeter fence). The diagram also includes a legend with the following items:

- 1. Temporary office, H=1,80m
- 2. Information board according to art.13 from Regulation №2
- 3. Office cabin /Cabinette/
- 4. Sleeping room, common storage cabins /Cabinette type /
- 5. Temporary electric supply board
- 6. Garage for construction machinery
- 7. Container for materials
- 8. Open storage area - for equipment
- 9. Open storage area - for equipment
- 10. Open storage area - wood and slitting material
- 11. Fire fighting equipment
- 12. Fire fighting equipment - 2 nos.
- 13. Temporary sink
- 14. Perimeter fence
