Облицовка със система за стени и огради

Лакирано естествено дърво

Метални елементи за закрепяне на пейките

Кашпа 11 - 1 бр.

Technical drawing showing the cross-section A-A of the bench. It details the internal structure, including the seating area, backrest, and base. Dimensions are provided for various components, such as the 238mm width of the main body and the 22mm width of the side panels. The drawing also shows the 130mm height of the base and the 11mm thickness of the side panels.

Разрез А - А

Technical drawing showing the cross-section B-B of the bench. It details the internal structure, including the seating area, backrest, and base. Dimensions are provided for various components, such as the 268mm width of the main body and the 22mm width of the side panels. The drawing also shows the 130mm height of the base and the 11mm thickness of the side panels.

Разрез Б - Б

М 1:20

Technical drawing showing the plan view of the bench. It details the overall dimensions, including the 392mm total width and the 268mm width of the main body. The drawing also shows the 238mm depth of the main body and the 22mm width of the side panels. The plan view includes a central area with a grid pattern, likely representing the seating area, and a surrounding area with a dashed line, likely representing the base or support structure. The drawing also shows the 130mm height of the base and the 11mm thickness of the side panels.

План

Technical drawing showing the elevation A of the bench. It details the external dimensions, including the 56mm height of the backrest and the 37mm width of the base. The drawing also shows the 19mm width of the side panels and the 20mm width of the base. The elevation A shows the bench with a wooden backrest and a metal base.

Фасада А

Technical drawing showing the elevation B of the bench. It details the external dimensions, including the 56mm height of the backrest and the 37mm width of the base. The drawing also shows the 19mm width of the side panels and the 20mm width of the base. The elevation B shows the bench with a wooden backrest and a metal base.

Фасада Б

Site plan showing the location of the bench within the project area. The bench is indicated by a dashed line and a label pointing to it. The plan also shows the surrounding area, including the building and the parking lot.
